

ADJUSTABLE SHOWER DOORS

Pictured - NP2 Adjustable door 1950mm Silva
SKU - **DNP2SI195**

DESCRIPTION

The Stellar Adjustable shower door range makes the perfect solution for replacing an old pivot door or, shower curtain installed in an alcove cubicle.

The frame features a sliding “trombone” top and bottom rail system which allows the frame to expand and contract to the required width.

The door opening and fixed glass return panel width never changes however the distance from the door pivot block to the adjacent wall varies as the door is expanded.

Our doors are available in either 1830mm or 1950mm overall height.

FEATURES

- AS/NZS 2208 A Grade Safety Glass
- Door panel features a frameless design
- Door can open on the RH or LH side “flip to fit”
- Adjustable “trombone” frame
- Stylish minimalist design
- Polished alloy handle
- Silva finish only
- Available in 1950mm OR 1830mm heights
- Removable bottom drip seal for easy cleaning
